Claims Procedures

Had an accident? Don't panic!

Here's what to do.

The law

۲

By law, you must stop if there is damage to any vehicle or property, or injury to any person, or certain animals, including dogs and horses. You must give your name, address and insurance details to anyone with good reason to ask.

How to help us help you

Make sure you get the names, addresses and phone numbers of any drivers, passengers or pedestrians involved, and details of any witnesses. By law, drivers must provide details of their insurance company and their policy number.

Get the other vehicle(s) registration number(s). A diagram of the accident scene is often helpful. Try to draw one as soon as possible after the accident - show vehicles, the road layout, other relevant features and the positions of any witnesses. If **you** have a mobile phone/camera, please take photographs of the accident scene and the damage to all vehicles, as these are very helpful to us.

Never admit blame or liability for an accident or offer to pay for any damage. Please tell us if any other person admits blame.

Even if you do not plan to make a claim, please call our claim line on 0345 828 2823.

We can usually get all the information we need in one phone call, but sometimes we may ask you to fill in a claim form.
