Where **your policy** contains conditions that specify circumstances where non-compliance will mean that **you** will not receive payment for a claim **you** will be covered, and **we** will pay **your** claim, if **you** are able to prove that the non-compliance with the condition could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

This condition does not apply to the Property owners liability section or the Employers' liability section. Where your policy is cancelled in accordance with either of the above provisions, we will refund part of the premium paid, proportionate to the unexpired period of insurance following cancellation. 2 We can cancel your policy immediately, without giving you notice, if the premium has not been paid. If a claim has been made or there has been any incident likely to lead to a claim during the current period of insurance, the annual premium remains due in full.

We will only refund premium provided that no claim has been paid or is outstanding in the current **period of insurance**.

Cancellation of this **policy** will not affect any claims or rights **you** or **we** may have before the date of cancellation.

We do not have to offer renewal of your policy and cover will cease on the expiry date.

You must tell us as soon as possible during the period of insurance of any change

The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - treat your policy as if it had included the different terms (other than payment of the premium) that we would have imposed had you made a fair presentation.
- 4 Where we elect to apply one of the above then
 - a if we elect to make your policy void, this will be from the start of the policy, or the date of variation or from the date of renewal

- b we will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal

However you will be covered and we will pay your claim if you are able to prove that the non-compliance with these conditions could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Non-contribution (other insurance) condition

We will not cover any amount which is insured by any other policy, except for an amount beyond that payable under the other policy, within the **limit** of indemnity.

Right of recovery condition

The cover provided under this section is in line with any law relating to the compulsory insurance of liability to people employed within the **policy territories**. You must repay us all amounts we pay, which we would not have been liable to pay but for the law.

Arbitration condition
