**You** must tell **us** as soon as possible if **you** become aware of any demolition, groundworks, excavation or construction being carried out on any adjoining site to the **property**. **We** will then have the right to vary the terms or cancel this cover.

If **you** do not comply with this condition **you** will not be covered and **we** will not make any payment in respect of a claim.

### Limit of cover

- 2 **we** will not cover for the charges incurred for any **property** that is **empty**.

The most **we** will pay under this cover during any one **period of insurance** is £10,000.

The amount **we** pay will be based on the amount of the oil charges or water charges for the period when the **damage** occurs, less the charge paid by **you** for the corresponding period in the preceding year. This will then be adjusted for changes in the suppliers' charges and for variations affecting **your** oil or water consumption during the intervening period.

#### Alternative residential accommodation cover

**We** will pay **you** for costs of reasonable alternative accommodation for **your** tenants and temporary storage of **your** tenants furniture while the residential portion of the **property** cannot be lived in or access is denied as a result of **damage**. ### Day one average cover

Subject to the following special conditions, the amount payable for **property** under sums shown as the 'declared value' in **your policy** schedule will be calculated as reinstatement of the **damaged property**.

For this purpose, reinstatement means

- 1** the rebuilding or replacement of **damaged property**, which provided **our** liability is not increased may be completed
  - a** in any manner suitable to **your** requirements
  - b** on a different site
- 2** the repair or restoration of **damaged property**

in either case, to a condition equivalent to or the same as but not better or more extensive than its condition when new.

**You** have stated the declared value, shown in **your** schedule for each **property**, and the premium has been calculated accordingly.

Declared value means **your** assessment of the cost of reinstatement of each **property** at the level of costs applying at the start of the **period of insurance** (ignoring inflationary factors which may operate subsequently) together with an allowance for

- 1** the additional cost of reinstatement to comply with public authority requirements
- 2** professional fees
- 3** debris removal costs.

**Special conditions applicable to day one average cover**

- 1 At the start of each **period of insurance** **you** must tell **us** the declared value of each **property**. Without this declaration the current declared value will be taken as the declared value for the next **period of insurance**.
- 2 If at the time of **damage** the declared value of the **property you** are claiming for is less than the cost of reinstatement at the start of the **period of insurance**, **our** liability for any **damage** will be proportionately reduced and will be limited to the proportion that the declared value bears to the cost of reinstatement.
- 3 **Our** liability for the repair or restoration of **property damaged** in part only, will not exceed the amount which would have been paid had the **property** been completely destroyed.
- 4 No payment will be made beyond the amount that would have been payable in the absence of this Day one average cover extension
  - a unless reinstatement starts and proceeds without unreasonable delay
  - b until the cost of reinstatement has been incurred
  - c if the **property** at the time of the **damage** is insured by any other insurance which is not on the same basis of reinstatement.

If **you** do not comply with Special condition 4 or **you** decide not to rebuild the **property** in a condition equal to but

not better or more extensive than its condition when new then this cover is cancelled and **our** and **your** rights and liabilities in respect of the **damage** will be subject to the following condition of average (under insurance).

The cover for each **property** is deemed to be subject to average i.e. if the **property** at the time of **damage** is valued at more than 115% of the declared value stated in **your** schedule, then **you** will be considered as self-insured for the difference and will be responsible for a proportionate share of the loss.

**Drains clearance cover**

**We** will pay **you** for the costs and expenses necessarily and reasonably incurred by **you** in clearing, cleaning and/or repairing drains, gutters and/or sewers to **your property** or for which **you** are responsible, following **damage** to **your property**.
