  - make a cash payment for not more than the market value of your car at the time of the loss or damage.
  - pay for standard accessories on your car or kept in your private garage.
- 

### What is not insured

---

#### Section 1 and 2

We will not pay for the following:

- wear and tear, your car losing value or for any repairs which improve your car beyond its condition before the loss or damage happened.
  - mechanical, electrical, electronic or computer failures or breakdowns or breakages.
  - damage to tyres caused by braking, punctures, cuts or bursts.
  - any additional damage resulting from the insured car being moved by you after an accident, fire or theft.
  - more than the manufacturer's latest list price in the United Kingdom of any part or accessory. If such a list price is not available the most we will pay is the manufacturer's latest list price in the United Kingdom for an equivalent part or accessory.

- loss of or damage to your car as a result of it being confiscated or destroyed by or under official order of any government, public or local authority.
  - loss or damage caused deliberately by you or any person driving your car with your permission.
  - loss from your car being taken and returned to its rightful owner.

    - Leaving the scene of an accident.
- 

### SECTIONS 1 AND 2 - BASIS OF SETTLEMENT

---

If your car belongs to someone else, or is under a hire purchase or leasing agreement, we may pay the legal owner.

---

#### Repairs

If this insurance covers the loss or damage and the cost will not exceed the market value of your car:

- you may arrange for reasonable and necessary repairs to be started if you send an estimate first and we have details of the cause of the damage; and
- we will also pay the reasonable cost of removing your car to the nearest competent repairer and after repair returning it to the address shown on your schedule

We may use parts or accessories which are not made or supplied by your car's manufacturer but are of similar type and quality to the parts and accessories we are replacing.

---

#### New car replacement

If this insurance covers the loss or damage and within one year of registration as new in your name your car is:

- damaged so that repairs will cost more than 60% of its list price including taxes when the damage happened; or
- stolen and not recovered.

We will replace your car with a new car of the same make, model and specification if it is available in the United Kingdom. If a replacement car of the same make, model and specification is not available we will, where possible, provide a similar car of identical list price. If you wish to have the claim settled on a cash basis then the most we will pay is the market value of your car and its standard accessories at the time of the loss or damage. The lost or damaged car will then become our property.

---

### **In-car entertainment, telephone and satellite navigation equipment**

We will pay for the loss or damage to audio, telephone and satellite navigation equipment if permanently fitted to your car. If the equipment is not a part of the car manufacturer's original specification, we will pay up to £250.

---

### **Replacement of locks and keys**

If this insurance covers the loss or damage, we will pay for all the locks to be replaced if one or more is damaged. If your car keys are lost or stolen we will pay for replacement locks and keys providing they were not left in or on your car while it was unattended.

---

### **Child car seats**

If you have a child car seat in your car and your car is involved in an accident that results in impact damage to your car, we will replace the child seat with a new one of the same quality.

---

### **Excesses that apply**

If your schedule shows that you have to pay an excess, you must pay the first part of any claim. If this amount is paid in error by us you must refund the amount immediately on request.

---

### **Temporary replacement car**

We will pay for a temporary replacement car, subject to availability. After loss or damage covered by this insurance, if we manage your claim we will supply and pay for a temporary replacement while the repairs to your car are being carried out if you use our Selected Repairer Service.

Temporary replacement cars are usually small hatchbacks under 1200cc.

We will insure the temporary replacement car under this insurance in exactly the same way as we insure your car and you will only have to pay for the fuel used. You must return the temporary replacement car when the owner or we ask you to or if this insurance expires and you do not renew it.

---

### **Windscreen Cover**

We will pay for breakage of glass in your windscreen, windows, and glass sunroof (excluding panoramic roof glass). We will also pay for damage to your car's paint work caused by broken glass. If no other damage has occurred the claim will not affect your no claim discount. If the glass is replaced you will be required to pay the first £75 of the cost (excess). You will not have to pay this sum if the glass is repaired rather than replaced. If you use our approved windscreen supplier cover is unlimited. If you use any other supplier the maximum we will pay is £100 after deduction of the £75 excess.

---

We or your broker will send you a Green Card as proof of your insurance upon request. The Green Card will show the countries we have agreed to extend this insurance to and the period for which we are providing this extension.

If your car is lost or damaged in any foreign country that we have agreed to give cover for, you may be charged customs duty. If we cover the loss of or damage to your car, we will also refund you the customs duty.

You may cancel this contract of motor insurance at any time by telling us, or your broker, in writing, or by email or telephone and cancellation can take effect immediately or from a later date, although it cannot be backdated to any earlier date. If you or someone else has not made a claim in the current period of insurance, we will refund part of your premium. We will work out the refund on a pro-rata basis less a premium charge of up to £50 + Insurance Premium Tax to cover our administration costs.

We or our authorised agent may cancel this contract of motor insurance by giving you seven days' notice in writing to your last known address where there is a valid reason for doing so. Valid reasons may include, but are not limited to if:

- you do not pay your premium, premium deposit or any instalment payment on or before the due date;
- you or anyone else covered by this insurance has not met all the terms and conditions of this policy;
- a change in your circumstances means we can no longer provide cover;
- where we identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled.
- you do not provide us or your broker with any requested documents

The insurance will end immediately when the seven days' notice runs out. If you have just taken out the policy or renewed it with us and the premium is unpaid, we will cancel your insurance from the start/ renewal date.

We will refund the balance of your premium that applies to the remaining period of insurance unless fraud has been identified.

If a refund is paid, a premium charge of up to £50 + Insurance Premium Tax to cover our administration costs will be deducted from the refund.

If you or someone else has made a claim, we will cancel your cover but may not refund any premium. If you are paying by instalments, you must still pay the balance of the full annual premium.

If you produce a cancelled certificate of motor insurance to any person with the intention of deceiving that person into accepting it as genuine, you may be prosecuted.

## Making A Claim

---

If you are involved in an accident or your vehicle is stolen, call us first on 0345 828 2823 as soon as possible after the incident has occurred.

Assistance is available on this number 24 hours a day.

You will need to provide us with the following information:

- your policy/certificate number;
- your personal details and those of the driver;
- the date, time, location and full circumstances of the incident;
- details of any other persons, vehicles or property involved in the incident;
- details of any injuries sustained in the incident;
- if you are reporting the theft of your vehicle any crime reference given to you by the police when you reported the theft to them.

If your car needs to be repaired (and the damage is covered by this policy) we have a nationwide network of selected repairers who can arrange to start work on your car with the minimum of delay.

When you first report the incident to us we will help you to arrange the repair of your car by one of our selected repairers, including the collection and redelivery to your home if required.

If you have a Comprehensive policy and need the use of a car while your own is undergoing repair by one of our selected repairers we will provide you with a temporary replacement car - full details can be found in the Temporary replacement car section of this policy (Basis of settlement - section 1 and 2).

When repairs are completed, arrangements will be made for you to collect your car (or for the car to be redelivered to your home). When you collect the car, you will need to pay the repairer any policy excess or contribution which may be applicable. These will be confirmed to you before repairs are completed

If your car cannot be repaired we will deal with the damage on a total loss basis. In these circumstances a temporary replacement car will not be provided.

If the incident relates solely to breakage of windscreen or windows in your car please call the Claim Line on 0345 828 2823. If you have a Comprehensive policy all you will have to pay is the amount of any policy excess that may apply. Repairing the glass rather than replacing it will mean you will not have to pay any excess.
