Your motor policy

Welcome to RSA

We'd like to welcome you to RSA and thank you for choosing us to take care of your car insurance. We would also like to wish you an enjoyable and hassle-free period of motoring.

When you deal with us, you can be sure everything will be simple and straightforward. You will have direct access to knowledgeable, friendly staff who will give you a quick and efficient service. We are committed to providing a first-class service to our customers and you can help us do this by letting us know if you are dissatisfied in any way.

Conditions that apply to the policy and in the event of a claim are set out in your policy booklet. It is important that you comply with all policy conditions and you should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions and events that may give rise to a claim must be notified as soon as possible. Further guidance is contained in the policy booklet in the section 'What you should do if there is an accident or theft'

You should initially notify us of your claim by phone. Your initial claim contact number is shown in your policy documentation. If we then decide that we need an Accident or Theft Report form we will send one which you should complete and return immediately.

Ideally when you call you will provide:

- Name, address and contact phone number(s) (for you and the driver of your vehicle if not you). We will ask for information about convictions so please try and have driving license(s) available when you call
- Personal details necessary to confirm your identity
- Your policy number
- Information about your vehicle and any damage it sustained
- Details of the accident or claim circumstances (when, where and how it happened)
- Details of any witnesses and the Police or any other emergency service that was called
- Details of the other party or parties involved including information about damage to their car or property and any injuries that anybody might have sustained
- Where appropriate your thoughts on who was to blame for the accident

We may request additional information (e.g. a sketch plan). Also, sometimes we may wish to meet with you or undertake further investigations, but we will advise you about that when you call to report the incident. Claims conditions require that you must give us any information and help we need.

You must also tell us as soon as possible of any changes to the information that you have provided to us. If you do not, your policy may not be valid.

We will not make any payment, or provide any other help or benefits under this policy, and will not return any premium to you, if you commit fraud in connection with your application for this insurance or with any changes to this policy.

Your motor policy

This is **your** RSA motor **policy** booklet.

The information **you** provided, and the declaration **you** agreed to, along with this **policy** booklet, **your schedule** and **your certificate of motor insurance** are all part of **your policy**. Please read them all to avoid any misunderstandings.

Your policy may be declared void and **you** will not be entitled to any benefits or help if:

- any part of **your** application for this insurance; or
- any further changes **you** ask for under this **policy**;

you falsely represent or fail to fully and accurately disclose, the answers to the requested information.

For example, this could include:

- not telling **us** about motor convictions or not providing a driver licence number;
- not telling **us** about criminal convictions (Convictions considered to be spent under the Rehabilitation of Offenders Act 1974 do not need to be disclosed);
- not telling **us** about previous accidents or losses, even if a claim was not made;
- not telling **us** about modifications to **your car**;
- giving **us** false information about who is the registered keeper or owner of **your car**;
- giving **us** false information about the main user of **your car**; or
- giving **us** false information about the true number of vehicles in **your** household.

This is not a full list. **Your Schedule** contains all of the information **we** need to determine **your** eligibility for this **policy** and how **much** your premium should be. **You** must contact **us** if anything on **your Schedule** changes.

Your policy sets out the contract between **you** and **us**, and in return for the premium **we** will cover **you** during the **period of insurance** under the terms set out in **your policy**. This **policy** booklet, together with **your schedule**, gives **you** the details of what **your policy** does and does not cover. Please pay special attention to those pages describing the Conditions and Exceptions which apply to **your whole policy**. It also contains information about our 24-hour helplines, how to make a claim and what **you** can do to make **your car** more secure.

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both **you** and **we** may choose the law which applies to this contract, to the extent permitted by those laws. Unless **you** and **we** agree otherwise, **we** have agreed with **you** that the law which applies to this contract is the law which applies to the part of the United Kingdom in which **you** live, or, if **you** live in the Channel Islands or the Isle of Man, the law of whichever of those two places in which **you** live.

We and **you** have agreed that any legal proceedings between **you** and **us** in connection with this contract will only take place in the courts of the part of the United Kingdom in which **you** live, or, if **you** live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which **you** live.

We hope **you** are happy with **your** policy. If **you** are not, please send **us** the **certificate of motor insurance** within 14 days of the date **you** received **your** policy documents. **We** will then give **you** back **your** money provided there have been no claims under the policy and **you** confirm that **you** are not aware of any incident which may give rise to a claim under this policy.

The person named as the policyholder in:

- your **certificate of motor insurance**; and
- your **schedule**.

Your car

The car:

- whose details have been reported to and accepted by **us**; and
- whose registration number is shown in **your certificate of motor insurance** and **your schedule**.

This includes any **in-car equipment** fitted as standard by the manufacturer.

Your partner

The partner, husband or wife of the policyholder living at the same address as the policyholder. This does not include business partners or associates.

How to make your car more secure

Important things to remember to keep **your car** safe.

- Whenever there is no-one in **your car**:
 1. close and lock **your car** doors, windows and sun roof.
 2. attach and lock **your** removable roof panel.
 3. secure and lock **your** convertible roof or hood.

Don't forget to lock **your** garage as well. A few seconds is all it takes for a thief to steal **your car** or its contents.

- Take care where **you** park **your car**. If **you** have a garage at home, please use it. When **you** are away from home, try to use secure car parks. If this isn't possible, avoid parking in back streets or quiet areas because these are ideal working conditions for a thief. If **you** have to leave **your car** outside at night, always try to park in a well-lit and busy area.
- Don't leave valuables on show - even when **you** are in the **car**. Thieves have been known to reach through passenger windows when the **car** is not moving.
- Satellite Navigation equipment is very attractive to thieves and could be costly for **you** to replace. When it is not being used, or when there is no-one in **your car**, keep any portable satellite navigation equipment, including any removable fittings which may attract a thief (such as suction cups), in a locked boot or locked glove compartment of **your car**.
- **You** must ensure that **your car** is locked and the **key(s)** removed when no one is in it (for example, at a petrol station), even if it is only for a few seconds. If the **key(s)** are in **your car** and **your car** is stolen, whether **your car** is on the public highway or not, **your policy** will not cover the theft or any damage.
- Fit extra security measures, such as a steering wheel lock or handbrake lock. Better still, consider fitting an engine immobiliser, alarm system, or a tracking device.
- Take care where **you** put **your car keys** once they are removed from the **car**. When **you** are away from home, keep them with **you** at all times. Do not leave them unattended - for example, in a coat or purse. When **you** are at home, try and keep them away from **your** front door, as thieves have been known to 'fish' through the letter box to get hold of them.
- An effective way to beat the car thief is to have **your** windows permanently etched. A thief will then think twice about stealing **your car** as it will be costly for them to replace the glass. Book a visit to **your** local branch of Autoglass, show them **your** current **certificate of motor insurance** and have **your car's** registration or chassis number etched onto **your** glass.

What you should do when circumstances change

CHANGES TO INFORMATION SHOWN ON THE CERTIFICATE OF MOTOR INSURANCE

We must be advised of the following changes immediately to ensure accurate documents are issued enabling **you** to legally drive **your car**.

- Change of car/addition of another car
- Change of drivers
- Change of Use.

You must also return paper copies of the old **Certificate of Motor Insurance** to us.

If you change address

Please contact **your** insurance consultant with full details of **your** new address, including the postcode, as soon as **you** know it. They will then let **you** know about any change in **your** premium and send **you** an updated **schedule**.

If you want to drive another car

Your policy may cover only **you** for driving cars which do not belong to **you** or **your partner** (provided **your Certificate of Motor Insurance** shows that **you** have this cover). However, cover is restricted to third party liability only and does not provide cover for loss or damage to the car **you** are driving.

This limited cover can be very useful in an emergency, but if **you** are planning to drive someone else's car regularly **you** should be named on their insurance policy.

If you need to use your car for towing

Your policy provides cover for legal liabilities while **you** are towing, but it doesn't provide cover for loss or damage to the items being towed. **You** will need to arrange separate cover for those items if **you** need loss or damage cover for them.

If any other circumstances change

You must tell us within 30 days (or the current policy expiry date whichever is soonest) if any other circumstances change, for example:

- if **you** have not provided driver licence number, **you** must tell **us** if **you** or any other **driver** has been convicted of any motoring offence including fixed penalty offences, or has any prosecutions outstanding;
- if **you** or any other **driver** receive a driving disqualification – this is necessary even if **you** have supplied driver licence number;
- if **you** or any other **driver** has been involved in any accidents, losses or thefts, regardless of whether a claim was made;

- if **you** or any other **driver** has been convicted of an offence of fraud or dishonesty (e.g. shop lifting, credit card fraud, tax evasion) or have possible prosecutions outstanding (Convictions considered to be spent under the Rehabilitation of Offenders Act 1974 do not need to be disclosed);
- if **you** or any other **driver** develops a notifiable health condition or an existing condition worsens. A notifiable health condition is one which must be referred to the DVLA (please refer to the DVLA D100 leaflet or www.direct.gov.uk/motoring for a full list of notifiable conditions) Examples of notifiable conditions are Epilepsy or insulin controlled Diabetes;
- if the main **driver** of **your car** changes;
- if the registered keeper or owner of **your car** changes;
- if the place where **your car** is usually kept changes;
- if any modifications are made to **your car** (e.g. any changes which may affect **your car's** performance).
- if the number of vehicles in **your** household changes;

This is not a full list. **Your Schedule** contains all of the information **we** need to determine **your** eligibility for this policy and how much **your** premium should be. **You** must contact **us** if anything on **your Schedule** changes.

Changes to driver licence number(s)

- if **you** or any **driver** change name or gender, **you** will need to inform the DVLA so that the DVLA can supply a new driver licence number
- If **you** have provided **us** with driver licence number(s), **we** will need to be informed of any changes.

How your no claim discount works

You earn **no claim discount** for each year of cover during which **you** do not claim. The discount increases each year up to the maximum on **your** scale. A single claim, if **you** are 'at fault' (or if **we** cannot recover full losses from another person's insurer) will reduce **your no claim discount**.

However, if **you** have applied and been accepted for **no claim discount** protection cover, **your** discount will not be affected unless **you** have more than two 'at fault' (or if **we** cannot recover full losses from another person's insurer) claims in five years. Upon the occurrence of a third claim **your no claim discount** will be reduced.

Reduction of cover to 'Laid up' status

If **you** ask **us** to, and depending on **your** existing level of cover, **we** will reduce **your** cover to loss and damage (**section 3**) or fire and theft (**section 2**) and give **you** a refund as long as:

- **your car** is kept in a locked garage and is not used for at least 30 consecutive days,
- **you** provide **us** with notice before **you** stop using **your car** and return **your certificate of motor insurance** to **us**,
- **you** have not made a claim during the current **period of insurance**.

Whilst **your** cover is laid up **you** will have no cover to use **your car** on a road or public highway. **We** can only maintain this level of cover until **your** next renewal.

You can, after 30 days, ask **us** to reinstate **your** cover and **we** will calculate the additional premium then due.

 - b) the cost of a replacement new car (**Section 3B**).
2. For **in-car equipment** – if the equipment has been fitted as standard by **your car's** manufacturer, **we** consider it to be part of **your car** and so no separate limit applies. Otherwise, **we** will pay up to the amount shown as 'In-car equipment cover' on **your schedule**.
3. For **your car's accessories** and spare parts – the manufacturer's last published retail price. **We** will also provide cover for any child safety seats which are fitted to **your car** at the time of an incident, even if there is no apparent damage.

B. How we will settle your claim

- may choose to repair the damage or pay the amount of loss or damage;
- may decide to use recycled parts or parts or **accessories** that are not supplied by the original manufacturer.
- if **your car** is lost and never found, or if in **our** view, it cannot be repaired for a reasonable cost, **we** will pay either:

 - b) the cost of a replacement new car (**Sections 2B and 3B**)
 Should we choose to pay the **market value** or purchase a replacement new car, **your car** will become **our** property.
- **We** will deal with a claim for loss or damage to a **trailer** in the same way, as long as cover for the **trailer** is shown on **your schedule**.

Any claim for loss or damage to a **temporary hire car** will affect **your no claim discount** as if **you** were claiming for loss or damage to **your car**. Any excess which would apply to **your car** if **you** had comprehensive cover will also apply to a **temporary hire car**.

C. Hiring and other agreements

If **we** know **you** are paying for **your car** by hire purchase or under a leasing agreement then **we** will do either of the following:

- If **we** are paying the cost of replacing the **car**, **we** will pay the proceeds of the claim to the company to which **you** are liable under the hire purchase agreement or from which **you** are leasing **your car**. If **you** owe under the hire purchase or lease agreement an amount less than the proceeds of **your** claim, **we** will pay **you** the difference

Section II

Legal assistance plan Part I – What we cover

This section only applies if it is listed in **your schedule**.

What is covered

A - Legal Expenses to Recover Uninsured Losses

In the event of a **Motor Accident**, we will pay **your Legal Expenses** provided **your Legal Representative** is of the view that **your claim** for **Uninsured Losses** or the **Legal Proceedings** have **Reasonable Prospects** of being recovered from the party who caused the **Motor Accident**.

We will continue to pay **your Legal Expenses** as long as we remain satisfied that **your claim** has **Reasonable Prospects** as detailed further at Condition B.

Whether or not **you** are successful we will pay the **Legal Expenses** which **your Legal Representative** reasonably and proportionately charges **you** up to the following maximum amounts for the following categories of claims:

- 1) **Small Claims Track claims**
If **your claim** for **Uninsured Losses** is allocated to or is likely to be allocated to the Small Claims Track (as defined in the Civil Procedure Rules 1998 (as amended from time to time)) we will pay **your Legal Expenses** up to a sum equating to:
 - i. 25% of the damages recovered (or in the event **you** lose, 25% of the **Uninsured Losses** you would otherwise expect to have recovered) or

The same limits shall apply to the Scottish or Northern Irish equivalent to the Small Claims Track.

5. **Legal Expenses** if the **Motor Accident** happened before the start of cover under this section.
6. **Legal Expenses** incurred before we have accepted the claim in writing unless this has been agreed by us.
7. Any **Legal Expenses** incurred and/or which **you** have been ordered to or agreed to pay as a result of delays or unreasonable behaviour by **you** or **your** failure to accept or the late acceptance of any offer to settle, without **our** permission

What is covered

- 2) **Claims subject to Fixed Cost rules**
If **your** claim for **Uninsured Losses** is subject to fixed cost rules **we** will pay **your Legal Expenses** up to the fixed cost limits determined by the applicable rules including Rule 45 Civil Procedure Rules 1998 (as amended from time to time).
- 3) **All other claims for Uninsured Losses**
For all other claims **we** will pay **your Legal Expenses** on the same principles as applied by the courts when assessing costs to be paid by one person to another on the standard basis. These are defined in England and Wales in Rule 44.4 (1)(a) of the Civil Procedure Rules 1998 (as amended from time to time).

We will also pay **Legal Expenses** for any category of claim listed above which a court has ordered **you** to pay or which **you** have agreed to pay on the advice of **your Legal Representative**.

If **your** claim for **Uninsured Losses** falls under the laws of Scotland or Northern Ireland, the claims for costs and expenses will be restricted to amounts under the equivalent Scottish or Northern Irish laws, rules and practices.

The most **we** will pay for **Legal Expenses** arising from a claim or series of connected claims is up to the limit shown in relations to Legal Assistance Plan in **your Policy Schedule**.

We will normally only make payment of **Legal Expenses** after **your** claim has been finally concluded. **We** will not normally agree to make payment on an interim basis except in exceptional circumstances and subject to **our** sole discretion. If **we** have paid for any **Legal Expenses** as part of such interim payments which **you** later succeed in recovering from any third party, **we** will be entitled to reimbursement of those expenses.

What is not covered under A, B and C

8. Any **Legal Expenses** if **you** withdraw from the **Legal Proceedings** without **our** agreement. **We** will be entitled to recover from **you** any amount **we** have paid or have to pay in respect of **your** claim as a result of this withdrawal.
9. **Legal Expenses** payable as a result of any damages based agreement **you** have entered into without **our** approval to the extent that **our** liability would be increased by such agreement

11. The expenses for an expert witness, unless **we** have given permission for the witness to be appointed

What is covered

B - Defence Costs for Road Traffic Proceedings

We will also pay all costs, expenses and disbursements which **your Legal Representative** reasonably and proportionately charges **you** to:

- defend **you** for any **Road Traffic Proceedings**, or
- represent **you** if **you** have pleaded guilty in respect of any **Road Traffic Proceedings**, if a conviction may result in **you** being disqualified or suspended from driving.

except that **we** will not pay more than the value of the sum shown in **your schedule** in relation to Legal Assistance Plan arising from on prosecution or a series of connected prosecutions.

C - Legal Representation

You are free to appoint **your own Legal Representative**.

We have chosen a panel of legal firms to provide legal services to **our** customers. There is nothing in our relationship with **our** panel firms which affects their ability to act in **your** best interests, but **you** are not obliged to appoint **your Legal Representative** from **our** panel if **you** do not wish to.

Regardless of who **you** appoint as **your Legal Representative**, **we** will only provide cover in accordance with the terms of this **Policy**. **You** may agree to pay any additional fees required by the **Legal Representative** above the amount **we** will cover, but these will be **your** responsibility only. On this basis, **we** recommend that **you** clarify how fees will be charged before **you** instruct the proposed **Legal Representative** and inform **us** of any agreement reached between **you** and the chosen **Legal Representative**.

What is not covered under A, B and C

18. Any costs incurred by **you** or **your Legal Representative** in providing **us** with information or documentation under this **Policy**.

Section 11

Legal assistance plan Part 2 – Conditions

A. Control of Claims

You are free to appoint **your** own **Legal Representative** as stated at **Part C, Legal Representation**

You must:

- keep **us** informed of any developments relating to **you** or **your** claim as soon as possible after **you** find out about them;
- follow **your Legal Representative's** advice;
- not start, defend, stop or withdraw from **Legal Proceedings** without **our** agreement;
- give **your Legal Representative** information and instructions as requested by them or **us**.

We will have direct access to **your Legal Representatives** at all times and **we** may see any information documents or evidence **your** or **your Legal Representatives** have. **Your Legal Representatives** will provide **us** with whatever updates **we** require to enable us to monitor compliance with the policy terms. They will also give **us** an up to date assessment of the merits of the claim.

If in any **Legal Proceedings** **your** claim is not successful and **you** want to appeal, **you** must write and tell **us** and **your** Legal Representatives no later than:

- 14 days before the time for making an appeal ends; or
- as soon as possible if the time period during which **you** may make an appeal is 14 days or less.

We will cover **your Legal Expenses** for the appeal if **we** agree with your **Legal Representative** that **your** appeal has **Reasonable Prospects** and it is reasonable to pursue (as set out fully at Condition B, below).

B. Reasonable prospect of success and reasonableness to pursue in civil cases

We will continue to pay **your Legal Expenses** so long as **we** remain satisfied that:

- i. **your** claim has **Reasonable Prospects**; and
- ii. it remains reasonable to fund **your** claim.

In determining whether it remains reasonable to fund **your** claim, **we** will consider whether a person without legal expenses insurance but with available funds would continue to fund the case themselves taking account of the likely financial compensation available from the claim compared to the value of legal costs to be incurred in obtaining such compensation.

We will also take into account the legal opinion provided by **your Legal Representatives** in reaching **our** decision.

If **your Legal Representative** is not of the view that your claim has **Reasonable Prospects**, **we** will on **your** request pay **your Legal Expenses** for the circumstances to be reviewed further by **your Legal Representative**, for a period of no longer than 2 hours, to reassess the prospects of success.

If, at the end of this further review, **your Legal Representative** is of the opinion that the claim has **Reasonable Prospects**, **we** will continue to pay **your Legal Expenses**.

If **you** dispute the accuracy of any general practitioner or orthopaedic medical report obtained by **your Legal Representative** in the course of **your** claim, and **we** accept **your** dispute, **we** will pay for a second medical report from a suitably qualified medical practitioner.

If at any time **we** or **your Legal Representative** consider that **your** claim or the **Legal Proceedings** do not have **Reasonable Prospects** or it is no longer reasonable to fund the claim, **we** will confirm this in writing to **you** and inform **you** that **we** will not pay any **Legal Expenses** for work undertaken after **you** have received the notice. In any event, **you** have the right to continue the claim or **Legal Proceedings** following receipt of the notice but this will be at **your** own expense.

C. Accounts and level of expenses

You or the **Legal Representatives** must pass on to **us** all accounts for **Legal Expenses** as soon as possible after receiving them.

We may require **you** to ask the **Legal Representatives** to have the **Legal Expenses** assessed, taxed or audited to determine to what extent **Legal Expenses** are payable.

D. Settling early

You must tell **us** as soon as possible of any offer or payment which is made to settle the claim. **You** must not accept or make any offer to settle the claim unless **you** have **our** permission. **We** will not withhold **our** permission without a good reason. If **you** reject or delay acceptance of an offer without **our** permission **we** will not pay any **Legal Expenses** incurred from the date of that offer.

If **we** or **your Legal Representatives** feel that any offer to settle the claim should be accepted, but **you** reject that offer and the amount of the offer is equal to or greater than the total compensation which **you** are eventually awarded or agree to accept, **we** will not pay for any **Legal Expenses** incurred from the date of that offer.

We expect any settlement to include provision for payment of **your Legal Expenses** unless **we** agree otherwise.

E. Options to reimburse

Where in **our** reasonable opinion **you** would suffer no detriment, **we** may choose to pay **you** the value of the claim for **Uninsured Losses** in full and final settlement of any entitlement to indemnity for **Legal Expenses**.

F. Conflict of interest

If at any time during the course of the claim, **we** become aware of any possible conflict of interest between **you** and **us** or on the part of the **Legal Representatives**, **we** will tell **you** in writing. **You** have the right to choose an alternative solicitor or other qualified person to act as **your Legal Representative** and take over the claim.

G. Dispute Resolution

You have the right to take any dispute with **us** to arbitration. **We** also have the right to take any dispute with **you** to arbitration.

The arbitrator will be either a solicitor or barrister agreed by **us** and **you**, and if agreement can't be reached the Bar Council or the President of the Law Society will choose one within the British Isles. Whoever loses the arbitration must pay all the costs and expenses of the other party. If the decision goes against **you**, **you** cannot claim the arbitration costs under **your Policy**.

We will give **you** written details of the right to arbitration. If **you** want to take any dispute with **us** to arbitration, **you** must tell **us** in writing.

Using the arbitration procedure does not prevent **you** from referring the matter to the Financial Ombudsman Service or the right to appeal against the arbitrator's decision in a court of law.

H. Cancellation

You may cancel this section of the Policy at any time. No refund of premium will be given.

We may cancel **your policy** where there is a valid reason for doing so. If **we** do this **we** will write to **you** at **your** last known address giving **you** at least 7 days notice. This letter will confirm any action required from **you**, together with the date from which the policy will be cancelled if **you** do not comply with **our** requirements.

Valid reasons may include but are not limited to:

- A default in instalment payments due under any linked loan agreement. If **you** pay **your** premium monthly, cover under this policy will end if **you** do not pay any monthly premium when it is due. If **you** cancel **your** policy after an event which may lead to a claim, **you** must pay **us** the rest of **your** premium up until the next renewal date.
- Where **we** have been unable to collect a premium payment.
- Failing to provide information or documentation requested by **us**. This may include but is not limited to Information required by **us** to process a claim or defend **our** interests.

We will also pay for the following:

If **you** are declared medically unfit to drive **your car** during the journey and none of the passengers can drive it, **we** will provide a suitably-qualified **driver** to drive **your car** to **your** destination, **your** home address or where **your car** is normally kept. **We** will try to supply a driver at a time that is convenient to **you** but **we** cannot guarantee to provide this service within any specific time scale. **You** will need to produce some form of medical certificate confirming that **you** are medically unfit to drive.

If the **breakdown** has been caused by **your car** running out of fuel, **we** will provide **emergency assistance** for replacement fuel.

What we cover

We will provide **emergency assistance** if **your car** is immobilised as a result of a flat battery or flat tyre, or incorrect fuel being accidentally put in **your car**.

2. **You** must maintain **your car** in line with the manufacturer's recommendations and only use it in a roadworthy condition.

D. Conditions of car hire

The car must be hired to a person who is covered under the **policy**. He or she will be responsible for collecting and returning the car to the car hirer.

1. The car hirer's normal terms and conditions will apply. This may mean that:
 - they may refuse to hire a car to anyone covered under the **policy** who is under 21 or over 70, has held a driving licence for less than one year, or who has certain endorsements on their licence; or

H. Collecting the car following a repair

You are responsible for collecting **your car** from the garage after repairs have been completed.

I. Cancellation

You may cancel this section of the **policy** at any time. **We** will refund the appropriate proportion of **your** premium worked out from either the date **you** contact **us**, or the future date from which **you** would like this section of **your policy** cancelled, provided that with the exception of claims under **Section 4 – Windscreen** or **Section 12 – Breakdown**, there have been no claims under this **policy** and **you** are not aware of any incident which may give rise to a claim under this **policy**

We may cancel **your policy** in the event of 5 **breakdowns** occurring within any one **period of insurance** or where there is a valid reason for doing so. If **we** do this **we** will write to **you** at **your** last known address giving **you** at least 7 days notice. This letter will confirm any action required from **you**, together with the date from which the policy will be cancelled if **you** do not comply with **our** requirements. Full details can be found in Policy Condition G of your policy booklet.

We will then refund the appropriate proportion of the premium already paid in respect of this section for the remaining **period of insurance**.

Conditions which apply to your whole policy

The following conditions apply to every section of **your policy**.

Failure to comply with **your** obligations as noted within these conditions may result in

- 1) a claim being rejected or reduced;
- 2) **your policy** being declared invalid.

A. Reporting a claim

You must tell **us** as soon as possible about any incident or legal proceedings which may lead to a claim.

If there has been a theft or attempted theft, **you** must also tell the police as soon as possible.

If there has been a theft or attempted theft, **you** must also tell the police as soon as possible. **You** should initially notify **us** of **your** claim by phone. **Your** initial claim contact number is shown in **your policy** documentation/on **our** website. If **we** then decide that **we** need an Accident or Theft Report form **we** will send one to **you** which **you** should complete and return as soon as possible.

Ideally when **you** call **you** will provide:

- Name, address and contact phone number(s) (for **you** and the **driver** of **your car** if not **you**). **We** will ask for information about convictions so please try and have driving licence(s) available when **you** call
- Personal details necessary to confirm **your** identity
- **Your policy** number
- Information about **your car** and any damage it sustained
- Details of the accident or claim circumstances (when, where and how it happened)
- Details of any witnesses and the Police or any other emergency service that was called
- Details of the other party or parties involved including information about damage to their car or property and any injuries that anybody might have sustained
- Where appropriate **your** thoughts on who was to blame for the accident

We may ask **you** to provide all the details in writing together with any evidence which **we** may reasonably need.

If **you** receive a writ, summons or other legal documents or letters, **you** must send them to **us** as soon as possible.

You must not answer any letters without **our** written permission. **We** will not refuse permission without a good reason.

B. Assessing your claim

We suggest that soon after receiving **your policy** **you** read the section in **your policy** booklet headed "**What you should do if there is an accident or theft**". Whilst **we** hope **you** never need the information it is better to be prepared for the unexpected.

You must not admit or deny a claim or negotiate or promise to pay a claim without **our** written permission. **We** will not refuse permission without a good reason.

C. Fraudulent or Exaggerated Claims

If **you**, or someone on **your** behalf, knowingly:

- makes a false claim;
- exaggerates the amount of a claim;
- provides **us** with false or misleading declarations or statements to support a claim; or
- provides **us** with any other false or invalid documents or relies on any fraudulent devices to support a claim

We may, at **our** option, either:

- (a) decline cover under the insurance **policy** for the relevant claim; or
- (b) void this insurance **policy** from its inception or from the date of the relevant claim.

D. Licence Checking

If **you** are providing driver licence number(s), **you** must seek permission from every **driver** before doing so.

If **you** are not providing driver licence number(s), **you** must check the driving licence and/or counterpart of every **driver** who will drive the Motor Vehicle and **you** must inform **us** of:

- any convictions, fixed penalties or endorsements noted on the licence
- any Provisional licence
- any licence issued outside the UK

E. Changes in risk

You must tell **your** insurance consultant immediately

- if **you** get an extra car or change **your car** for another one;
- if there is a change in use of **your car** (for example, **you** require business use);
- if **you** need to add a **driver**.

This information is required for **your Certificate of Motor Insurance**. **We** must be advised of the above changes to ensure accurate documents are issued enabling **you** to legally drive **your car**.

You must tell **us** within 30 days (or the current policy expiry date whichever is soonest) if any other circumstances change, for example:

- if **you** have not provided driver licence number, **you** must tell **us** if **you** or any other **driver** has been convicted of any motoring offence including fixed penalty offences, or has any prosecutions outstanding;
- if **you** or any other **driver** receive a driving disqualification – this is necessary even if **you** have supplied driver licence number;
- if **you** or any other **driver** has been involved in any accidents, losses or thefts, regardless of whether a claim was made;
- if **you** or any other **driver** has been convicted of an offence of fraud or dishonesty (e.g. shop lifting, credit card fraud, tax evasion) or have possible prosecutions outstanding;

- if **you** or any other **driver** develops a notifiable health condition or an existing condition worsens. A notifiable health condition is one which must be referred to the DVLA (please refer to the DVLA D100 leaflet or www.direct.gov.uk/motoring for a full list of notifiable conditions) Examples of notifiable conditions are Epilepsy or insulin controlled Diabetes;
- if the main **driver** of **your car** changes;
- if the registered keeper or owner of **your car** changes;
- if the place where **your car** is usually kept changes;
- if any modifications are made to **your car** (e.g. any changes which may affect **your car's** performance).
- if the number of vehicles in **your** household changes;

This is not a full list. **Your Schedule** contains all of the information **we** need to determine **your** eligibility for this policy and how much **your** premium should be. **You** must contact **us** if anything on **your Schedule** changes.

We may re-assess **your** cover and premium as a result of any important information **you** give **us**.

If **you** do not tell **us** anything which is relevant:

- **your policy** may not be valid;
- **we** may reject **your** claim; and
- **we** may cancel **your policy**.

F. Looking after your car

You and any other **driver** must do everything reasonably possible to prevent loss or damage and keep **your car** or any **temporary hire car** in good condition.

You must allow **us** to have free access to examine **your car** at all times.

G. Cancelling your policy

We may cancel **your policy** where there is a valid reason for doing so by giving **you** at least 7 days notice at **your** last known address. This letter will confirm any action required from **you**, together with the date from which the policy will be cancelled if **you** do not comply with **our** requirements. In these circumstances **you** must return **your certificate of motor insurance** to **us**.

Valid reasons may include but are not limited to:

- A default in instalment payments due under any linked loan agreement. If **you** pay **your** premium monthly, cover under this policy will end if **you** do not pay any monthly premium when it is due. If **you** cancel **your policy** after an event which may lead to a claim, **you** must pay **us** the rest of **your** premium up until the next renewal date.
- Where **we** have been unable to collect a premium payment.
- Failing to provide information or documentation requested by **us**. This may include but is not limited to:
 - Proof of No Claims Discount;
 - Copies of driving licences;
 - Evidence of Company Car Driving Experience;
 - Information required by **us** to process a claim or defend **our** interests.

- Use of threatening or abusive behaviour or language, or intimidation or bullying of **our** staff or suppliers

Where **we** are unable to collect an instalment, **we** will contact **you** in writing requesting a payment by a specific date. If payment is not received by this date, **your policy** will be cancelled.

You can cancel **your policy**. To do this **you** must write to **us** and return **your certificate of motor insurance**. If no claim is made or will arise, **we** will give **you** a refund on **your** premium for any remaining period of cover:

If a claim is made or will arise, **we** will not give **you** a refund on **your** premium.

If **your policy** is cancelled before the first renewal, any refund of premium may be subject to an administration fee, which accounts for **our** costs in providing the policy. **We** will notify **you** of any administration fee that has been applied.

H. Other insurance

If a claim under **your policy** is also covered by other insurance, **we** will only pay **our** share of the claim.

I. Taking over your rights

If **you** make a claim, **you** must be prepared to take any steps **we** reasonably ask **you** to take to protect **your** rights. **You** must also be prepared to allow **us** to act in **your** name and take any reasonable steps **we** feel are necessary to protect **your** rights.

This may mean that **we** defend or settle the claim in **your** name. If this happens, **we** will pay any costs and expenses involved.

J. Cover for car sharing

Your policy allows **you** or **your partner** to receive a mileage allowance from **your** or **your partner's** employer, or accept payment from passengers in **your car** as part of a car-sharing agreement, as long as:

- **your car** has not been built or adapted to carry more than eight passengers and a driver;
- **you** or **your partner** are not carrying passengers as part of a business of carrying passengers;
- **you** or **your partner** do not make a profit from the total payments **you** or **your partner** receive for a journey;
- **your car** is being used for a purpose included on **your certificate of motor insurance**; and
- the total payments for any mileage allowance **you** or **your partner** receive are within the published guidelines of HM Revenue & Customs.

K. Our right to reclaim payments

We may claim back from **you** any payment which **we** make under **your policy**:

- because of the requirements of any law; and
- which **we** would not have paid if that law had not existed.

L. Authority to Renew

If **we** are willing to continue providing cover and **we** advise **you** before the **policy's** renewal date of **our** renewal terms, **you** authorise **us** to renew this **policy** and any subsequent **policy** on expiry, in accordance with **our** renewal terms at that time, unless **you** advise **us** otherwise before the renewal date.

M. Provision of False Information

If **you** have knowingly provided us with false information which has affected **our** assessment of any of the following:

- A) **your** eligibility for this insurance **policy**
- B) the terms and conditions applying to **your policy**
- C) **your** insurance premium

Your policy may be deemed to be invalid from the date **you** provided **us** with such information and all benefits under this **policy** may be forfeited.

In these circumstances, condition **K. Our Right to Reclaim Payments - [Conditions which apply to your whole policy]** will apply and **you** may be required to repay to us any payment that **we** have been obliged to pay on **your** behalf.

N. Financial Sanctions

We will not provide any cover or be liable to provide any indemnity, payment or other benefit under this **policy** where doing so would breach any prohibition or restriction imposed by law or regulation.

If any such prohibition or restriction takes effect during the **period of insurance** **we** may cancel this **policy** immediately by giving **you** written notice at **your** last known address. If **we** cancel the **policy** **we** will refund premiums already paid for the remainder of the current **period of insurance**, provided no claims have been paid or are outstanding.

Exceptions which apply to your whole policy

A. Use and driving

We will not cover any claim if **your car** is being:

- used for a purpose which is not included on **your certificate of motor insurance**;
- driven by someone or in the care of someone for the purpose of being driven, who is not shown as allowed to drive on **your certificate of motor insurance**;
- driven by someone who does not have a valid licence unless he or she has held one and is not disqualified from getting another one;
- driven by someone who does not meet the conditions of their licence.

This does not apply to claims under Sections 2, 3 or 4 if **your car** is in the care of:

- a garage or similar motor trade organisation for servicing or repair; or
- a hotel or restaurant for the purpose of parking.

B. Liability which results from an agreement

We will not cover any legal liability that arises as a result of **you** entering into any agreement or contract, unless **you** would have been liable even without such an agreement or contract.

C. Radioactive contamination

We do not cover any loss, damage, or liability caused by:

- ionising radiation or radioactive contamination from nuclear fuel or nuclear waste from burning nuclear fuel; or
- the radioactive, toxic, explosive or other dangerous properties of explosive nuclear equipment or nuclear parts.

D. War risks

We do not cover any loss, damage or liability caused by war, riot, revolution or any similar event, except as required under road traffic laws.

E. Riot and civil unrest

We do not cover incidents caused by riot or civil unrest outside of England, Scotland, Wales, the Isle of Man or the Channel Islands.

This exception does not apply to **Section I**.

F. Sonic bangs

We do not cover damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

G. Pollution

We do not cover loss or damage caused by pollution or contamination, unless the pollution or contamination is the direct result of a single incident which happens during the **period of insurance**. To qualify for cover, the incident must be sudden, identifiable, unintended and unexpected.

All pollution caused by one incident will be considered to have happened at the time the incident took place.

This exception does not apply if **we** must provide cover under road traffic laws.

H. Rallies, competitions, Nurburgring Nordscheife, de-restricted toll roads, trials and track use

We will not cover any claim if your car is used:

- in a rally;
- in a competition;

J. Deliberate Acts

We do not cover any loss or damage to **your car** as a result of a deliberate act caused by **you, your partner** or anyone insured under this **policy**.

K. Driving under the influence of drink or drugs

We will not pay more than **our** legal liability under the Road Traffic Act for any claim, if the driver of the car insured by **us** was found to have been driving whilst under the influence of drink or drugs at the time of the accident. **We** reserve the right to recover from **you** any amounts which **we** pay before such conviction or which **we** are required to pay. This does not apply to amounts paid or which **we** are required to pay under Section 11.

What you should do if there is an accident or theft

What to do immediately after the accident

1. People are more important than property, so your first priority should be to check whether anyone is injured and look after them. Call for medical help if necessary.
2. If anyone is injured, you must show your certificate of motor insurance to the police or to anyone who has a good reason for seeing it. If you can't do this at the scene, you must report the accident to the police within 24 hours and produce your certificate of motor insurance then.
3. If your car or anything in it is stolen, you should report the incident to the police as soon as possible.
4. Always stop if you are involved in an accident and exchange:
 - names and addresses (including those of any witnesses);
 - details of insurance companies (including policy numbers if known); and
 - vehicle registration numbers.
5. Do not admit you are to blame or offer any payment. It could make it more difficult for us to handle your claim and may affect your rights.
6. Draw a diagram of the accident scene. This should include:
 - the position of the cars before and after the accident;
 - the road layout;
 - any obstructions to your or other road users' vision;
 - the position of any witnesses; and
 - anything else which could be relevant to the cause of the accident (for example speeds and distances involved, and weather conditions).
7. If you receive any letters or documents about the accident, please do not answer them and forward them in to us as soon as possible.
8. Remember that your insurance consultant is there to help you if you need to make a claim. But if the accident or loss happens out of office hours, or you need emergency help, call the UK claims helpline.

Your helpline number is on your claims helpcard.

Notifying a claim

You should initially notify us of your claim by phone if your car is stolen or damaged following an incident which is insured under your policy. Your UK claims helpline number is shown on your claims helpcard. Our team of experts will move into top gear to get you back on the road, or get repairs done as quickly as possible. If we decide that we need an Accident or Theft Report form we will send one which you should complete and return to us as soon as possible.

Ideally when you call you will provide:

- Name, address and contact phone number(s) for you, and the driver of your car if different. We will ask for information about convictions so please have any driving licence(s) ready when you call.
- Personal details necessary to confirm your identity.
- Your policy number.
- Information about your car and any damage it sustained.
- Details of the accident or claim circumstances (when, where and how it happened).
- Details of any witnesses and the Police or any other emergency service that was called.
- Details of the other party or parties involved, including information about damage to their car or property and any injuries that anybody might have sustained.
- Where appropriate, your thoughts on who was to blame for the accident.

We may also request additional information (e.g. a sketch plan). Sometimes we may wish to meet with you or undertake further investigations, but we will advise you about that when you call to report the incident. Claims conditions require you to provide us with any reasonable assistance or evidence that we require.

Car repairs

We take pride in the claims service we offer to our customers. Where your policy provides cover for damage to your car we have a network of recommended repairers who will collect and redeliver your car. Where provided for under your policy, they will also provide a temporary hire car to keep you mobile. The repair process will commence immediately your car arrives on their premises. To ensure there is no effect on any existing warranty you may have they provide a lifetime guarantee on all repairs.

Where you choose not to use one of our recommended repairers we will arrange for your damaged car to be examined by one of our motor engineers to agree the repair cost with your nominated repairer. The inspection should happen within 2 working days of you providing repair details to us.

If your car is stolen or not fit to drive

If you have comprehensive or third party fire and theft cover, we will arrange for you to have a hire car for up to 48 hours straight after the incident. We will pay for this.

We will not be able to provide a temporary hire car if you are involved in an incident whilst abroad.

If you have comprehensive cover and your car is at one of our recommended repairers, they will give you a temporary hire car while yours is being repaired. We will pay for this. However, you will not get a temporary hire car if you have third party fire and theft or third party only cover, if your car is stolen and not recovered or if your car is damaged beyond economical repair.

If your car is damaged but roadworthy

Our recommended repairers have been carefully selected to give you a fast, reliable and professional service. By using them you will also benefit from:

- our authority to start repairs as long as your car is economical to repair;
- collection and return of your car;
- cleaning of your car before it is returned to you; and
- a lifetime guarantee on all repairs.

We will pay for the above benefits.

If you have comprehensive cover and your car is at one of our recommended repairers, they will give you a temporary hire car while yours is being repaired. We will pay for this. However, you will not get a temporary hire car if you have third party fire and theft or third party only cover, and your car is damaged beyond economical repair.

If you choose any other vehicle repairer, it will not affect your right to claim. However, we may not be able to arrange any of the above benefits or automatically insure any replacement car for you.

Temporary Hire Cars provided by our recommended repairers.

Our recommended repairers will typically provide a class A hire car (for example a small 3 door hatchback).

If you have a disability where your needs cannot be met by a temporary hire car, we will pay up to £30 per day towards travel costs.

If you have uninsured losses

Even if a claim is covered under your policy, you could still be out of pocket for expenses such as:

- the cost of alternative transport; and
- loss of earnings.

If Section 11 'Legal assistance plan' is listed in your schedule, contact your insurance consultant. They will arrange to send you a claim form. We will make all reasonable efforts on your behalf to get back uninsured losses following an accident which is not your fault.

If you need legal advice

If you need legal advice, we offer a free legal advice service. You will have to pay for the cost of the call. Our team of qualified legal advisers can give you free, confidential advice on motoring matters. Here are some examples of the help they can give you.

- They can provide legal advice after an accident. For example, if you do not have our Legal assistance plan then they can advise you on what to do if you want to make a claim against another person. However they will not contact other people, make claims or carry out legal proceedings on your behalf - you need our Legal assistance plan for that.
- They can provide legal advice on consumer issues which relate to motoring. For example, they can tell you about your rights if you are unhappy with a car which you have bought.
- They can provide you with legal advice if you are facing prosecution for driving or parking offences.

This service is confidential, and you can stay anonymous if you want.

To use it, call 01 132 982632 and ask to speak to a legal adviser. Please quote code 33885, together with the renewal date on your current certificate of motor insurance.

If you need someone to talk to

If you need someone to talk to after an accident, we offer a free counselling service. You will have to pay for the cost of the call. This is available for you and members of your immediate family and is for motoring matters only. Our experienced, qualified counsellors can help you when you need it most. Here are some examples of the help they can give you.

- They can help you come to terms with trauma after an accident.
- They can help you come to terms with injuries, disability and bereavement.
- They can offer you victim support (for example, if your car is stolen).
- They can even offer counselling for stress which has been caused by motoring.

This service is confidential, and you can stay anonymous if you want.

To use it, call 01 132 982632 and ask to speak to a counsellor. Please quote code 33885, together with the renewal date on your current certificate of motor insurance.

What you should do if you want to take your car abroad

Important guidelines when travelling abroad

See also **Section 8 Foreign use** on page 22.

Your policy provides free foreign use cover for countries defined in the **territorial limits**.

The number of days of free foreign cover is shown as 'Foreign Use' under the 'Policy limits' in **your schedule**. If the length of any visit (or the total length of all visits during the **period of insurance**) is greater than the number of days shown as 'Foreign use' in **your schedule**, **you** must tell **us** before **you** take **your car** abroad. **You** will have to pay an extra premium to extend **your** cover.

We can provide a Green Card as proof of insurance, although this is no longer necessary for a visit to any of the countries defined in the **territorial limits**. For those countries that have recently been approved by the European Commission **we** would recommend that a Green card is issued. **You** will need a Green Card to visit countries outside of the **territorial limits**. **You** will also have to pay an extra premium to extend **your policy** cover to any additional countries.

Your policy also provides cover during the **period of insurance**, under **Section 1 Legal liability to others, D. Cover Abroad**, while **your car** is in a country defined by that Section. This will only provide cover for Third Party personal injury and limited Third Party property damage caused by **you** or any insured driver whilst using or driving **your car**.

If **you** have an accident abroad, phone the Euro helpline on **your** claims helpcard.

Take the following insurance documents when **you** travel abroad:

1. **Your certificate of motor insurance.**
2. The European accident statement.

In addition, check the requirements for using a vehicle in the countries **you** are visiting. These can be obtained from the Foreign and Commonwealth Office. (www.fco.gov.uk)

You may also find it helpful to have this **policy** booklet with **you** for the advice and information given below.

If **you** have an accident abroad, follow the procedure below.

1. Immediately report the accident to the police if anybody involved in the incident is injured or if there is a disagreement with the other driver. Get details of the police team that attended the scene or who the accident was reported to.
2. Give **your** name and address, and **our** name and address to the other party and produce **your certificate of motor insurance**.

3. Get the name and address of the other driver, details of their motor insurer (including policy number) and information about the registration and ownership of the other vehicles involved.
4. Call **our** Euro Claims Helpline on **your** helpcard as soon as possible, particularly if anybody is injured.
5. Never make any statement or sign any document (other than the European accident statement) without the advice of a lawyer or competent official. Do not sign the European accident statement, particularly if written in a foreign language, before **you** are certain that **you** understand and agree with every word.
6. If **you** have a camera, take photographs showing the layout of the scene and positions of the vehicles from various angles.
7. Use **your** European accident statement (the various linguistic editions of this form are identical throughout Europe) and be sure to get the following details:
 - The make, registration number and colour of the other vehicle and whether it is right or left-hand drive. If the Third party vehicle is a lorry obtain the number of both the cab and trailer units. In some countries these have different registration numbers
 - The full names, addresses and occupations of independent witnesses.
 - The date, time and exact place of the accident.
 - The speeds of **your** own and the other vehicle.
 - Signals given by **you** and the other driver.
 - Weather and road conditions.
 - Names and addresses of people injured and details of those injuries.
 - Details of damage to **your** own and other vehicles.

If **you** do not have a European accident statement, collect the following information:

1. Date, time and place of the accident
2. Other vehicle's details
3. Registration number
4. Country of registration
5. Policy number of the insurance
6. Green card number
7. Name and address of the insurer
8. Surname, first name and address of the driver
9. Accident circumstances including details of damage to vehicles and injuries to any people involved
10. Sketch the scene and the position of the vehicles (include road markings where possible)
